JAMES L. PETERS, D.D.S.

Welcome to our office!

Thank you for choosing us as your dental provider. We would like to introduce you to our office. Dr. James Peters grew up in Mason where his family owned and operated a small country store. Although his family moved away, he retained fond memories of this unique community. After finishing his dental degree at the University of Michigan, Dr. Peters and his wife, Amber, chose to return to Mason to open his practice.

The opportunity to open a new practice has allowed us to provide you with the newest and safest treatment in dental technology. This includes advances such as white fillings, all-porcelain crowns, and the newest techniques in whitening. Along with our Patient Coordinator Laura Blair, Assistant's Torie Harr and Mara Ikens and our two Hygienists, Janean Belman and Johanna Sainz; we look forward to serving you. If you have any questions or special requests that could enable us to make your visit more comfortable, please feel free to contact our office at 676-3770.

Thank you again for allowing us to care for your dental needs.
